

A Style Word To Men

THE satisfaction in wearing the new spring suit depends largely upon the confidence you have in its correctness. The clothes sold in this store come from style originators and each suit is an example of the perfection of tailoring.

The coat styles this spring show the semi-form fitting back with full skirt with one or two vents. The two button sack with long roll collar and the three button sack with medium long collar are perhaps the strongest favorites and are shown in a wonderfully good variety of plain and novelty serges, tweeds, chevots, unfinished and hard finished worsteds. In the two-piece suits the coat is unlined; in the three-piece styles it is lined throughout. The trousers are in both the regular and "semi-peg" style.

Grey is the predominating color and is shown in the full range of light, medium and dark shades.

We especially invite men who are hard to fit to come here. The very tall, slim man and the short stout man who has trouble in getting the right shaped clothes can be fitted here.

TRAINING OUT THE EL PASO BALL PLAYERS

Manager Harbuck Has the Boys Out at the Park Every Day.

Things are up and doing at Washington Park, where the baseball team is having daily workouts. Harbuck has a squad of the recruits out at practice each afternoon and he is developing a collection of fast material out of the bunch who have showed for practice.

The new men are getting used to the altitude and the holdovers from last year are training down to weight. Gowan, Edmunds, Wyle and Kiefer are among the local applicants for positions on the team and they are each showing up strong for their positions.

Graham, Galloway and Mason have reported to Shreveport for the spring training and will be given a chance to make good in their respective positions as fielder, pitcher and infielder. Galloway will probably be given a tryout on the first sack as he starred in this position last year when placed there in an emergency and his work was noticed by scout Harbuck, who was here at the time.

Arrangements for the smoker are being made by the various committees and the program will be ready within a few days. A number of athletic features have been arranged for and the Sox will be given a sample of sport as it is known in the southwest. Tickets have been placed on sale in the different cigar stores down town and the fans are buying them like prize fight extras. The smoker is to be held March 20, the date on the calendar which should be circled with red and placed in the list of holidays for March.

TO AUTO ACROSS THE COUNTRY

El Pasoans Start on Trip in Machine to San Antonio, Texas.

Celebrating St. Patrick's day by starting on a summer vacation on wheels, three men in an auto will leave El Paso at sunrise on "St. Patrick's day in the morning" for San Antonio and the north and east. The party will be made up of R. Michaels and Sidney Friend of El Paso, and Robert McKally, of Pittsburg. The car which will be used for the trip will be a Buick 16, which has been equipped for cross country touring and which will be the home of the party for the remainder of the summer if they carry out their plans.

Mike Lawless, a well known El Paso chauffeur, will drive the car and it will be made to San Antonio in two weeks, stops having been planned at all of the interesting places in west Texas. After spending two weeks in San Antonio, the amateur tourists will start north for Colorado and expect to spend the summer motoring through the west and north.

BUYS HALLMAN; LOSES TAYLOR.
New York, N. Y., March 16.—Third baseman Hallman of the Oakland club has been purchased by the New York Americans. President Farrell bought on advice of Hal Chase, it is said.

Signs With Buffalo.
"Dummy" Luther Taylor, aver popular deaf and dumb pitcher, has signed with Buffalo. The man who for ten years was idol of New York City fans now is going to try his pleasing art with a smaller burg.

Taylor used to make great plays in team work with Babe Kinsinger. He is credited with once having the best drop ball ever tossed over any plate.

NEW YORKER SCORES ON A DENVER MAN

Denver, Colo., March 16.—The second block in the 150 points match was won last night by Tom Hueston, of New York City, who took a lead with a total of 100 to 85. Fred Eames of Denver showed an utter lack of form, making only 38 points against Hueston's 52. The play is for world's championship three-cushion billiard honors.

KNOX HAS NO INTENTION OF CEDING THE ISLAND TO MEXICO

John L. Dyer received the following Telegram this afternoon from congressman W. R. Smith:

"After conference with secretary of state, I can assure you he has no present intentions of ceding Island to Mexico."

Congressman Smith, mayor Sweeney, J. A. Happer and Gen. Anson Mills had a conference this morning with the secretary of state and the secretary told them, according to a dispatch to The Herald, that he hoped to settle the Chamizal matter within a very short time.

Mayor Sweeney and Mr. Happer expect to start home tonight.

STATEHOOD MAY HOLD UP OTHER MEASURES IN UNITED STATES SENATE

Threat Is Made to Block Legislation if Bill Is Not Passed—Bill to Prohibit Saloon Men Voting.

Washington, D. C., March 16.—"Statehood is assured," senator Bailey said today. "I think senator Elkins would rather lay aside the court of commerce bill in order to complete a work (statehood) that he began 40 years ago."

Senator Hale said: "That is the very thing I am afraid of. There are plenty

of projects that would be brought forward."

Bailey: "I object to that word. The bill is not a project; a 'project' means—"

Hale: "I will substitute the word 'scheme' if that suits the senator."

Bailey: "That is really worse."

Hale: "I supposed it was when I substituted it."

Notification has been given that there will be no vote on the court of commerce or other important bills until a vote is taken on statehood.

The president has signed the bill for the supreme court to assign district judges of New Mexico to districts. The bill to pay district judges \$4 a
